

Pagoda

design Yoshino Toshiyuki

Tavolino da centro salotto di dimensioni generose, è un dialogo di materia e forma. I due piani, identici, sono sovrapposti in modo asimmetrico e offrono l'occasione di esporre gli oggetti su livelli diversi creando un effetto di equilibrio e profondità. Pagoda è stato progettato per essere il cuore del living.

A large living room coffee table that becomes a dialogue of matter and form. The two identical surfaces are superimposed asymmetrically, offering the opportunity to expose objects on different levels, creating an effect of balance and depth. Pagoda was designed to be the heart of the living room.
