

Aida è una delle collezioni più amate di Calligaris. In sedie e sgabelli, la modernità del metallo incontra un design dalle linee slanciate e dinamiche. L'estetica è minimal e a fare la differenza sono le finiture dei rivestimenti da scegliere tra metallo e tessuto, metallo e cuoio o tutto cuoio.

Aida is one of Calligaris' most beloved collections. In chairs and stools, the modernity of metal meets a design with slender and dynamic lines. The style is minimalist, and what makes the difference are the finishes of the coverings between metal and fabric, metal and leather, or all leather.
