

Icaro richiama, nelle due gambe in legno a forma di V, due ali, mentre nella versione tonda gli elementi del basamento diventano tre. Il piano in ceramica è disponibile in varie dimensioni, forme e finiture, per un tavolo ad altissima personalizzazione che per la sua versatilità è tra i best seller di Calligaris.

With its two V-shaped wooden legs, Icaro recalls two wings, while in the round version, the elements of the base become three. The ceramic top is available in various sizes, shapes, and finishes, for a highly customizable table that, due to its versatility, is among Calligaris' best sellers.
