

Renee è una collezione di tavolini perfetti per essere affiancati al divano. I piani sono esagonali o quadrati, in diverse altezze, dimensioni e finiture, mentre la struttura è sempre in metallo, un materiale che regala leggerezza anche visiva. Per il design essenziale, nella versione più alta Renee si presta a essere interpretato anche come comodino in camera da letto.

Renee is a collection of coffee tables that are perfect next to the sofa. The tops are hexagonal or square, in several heights, sizes, and finishes, while the frame is always in metal, a material that provides visual lightness. Thanks to its minimalist design, in the taller version, Renee can also be used as a bedside table in the bedroom.
