

Twins è un tavolo di grande impatto visivo. Merito del basamento, realizzato con due elementi di lamiera curvata e sagomata, che come due ali fanno spiccare visivamente il volo al piano. Numerose le finiture disponibili, che consentono di interpretare il tavolo in modo più classico o più moderno.

Twins is a table with a great visual impact thanks to its base, made up of two curved and moulded sheet elements that, like two wings, make the top take flight visually. There are many finishes available, allowing you to interpret the table in a classic or modern way.
