

La collezione Universal si declina in una serie di cassettiere per la zona notte. Comodino, comò e settimanale creano un ambiente coerente, in continuità con la zona giorno. Come indica il nome, lo stile è universale, poiché si presta a cambiare immagine al variare delle finiture scelte per frontali e top.

The Universal collection features a series of chests of drawers for the night area. Bedside table, chest of drawers, and tallboy create a coherent environment, in continuity with the day area. As the name suggests, the style is universal, as it changes look depending on the finishes chosen for front panels and tops.
