

Lake si distingue per le linee morbide e curve. La forma ovale è enfatizzata dal top incassato e leggermente ridotto rispetto al perimetro, che crea uno spazio utile all'apertura di porte e cassetti. Rifinita da ogni lato e priva di spigoli, la media è ideale da posizionare in qualsiasi punto della zona giorno.

Lake stands out for its soft and curved lines. The oval shape is emphasized by the recessed top, slightly reduced compared to the perimeter, which creates a useful space for opening doors and drawers. Finished on all sides and without edges, the sideboard is ideal to place anywhere in the day area.
